

**POLICE AND CRIME COMMISSIONER FOR HAMPSHIRE AND
HAMPSHIRE CONSTABULARY**

JOINT AUDIT COMMITTEE – 30 JUNE 2014

**POLICE AND CRIME COMMISSIONER RISK MANAGEMENT POLICY &
STRATEGY**

**REPORT OF THE ESTATES, STRATEGY AND DELIVERY DIRECTOR FOR
THE OFFICE OF THE POLICE AND CRIME COMMISSIONER**

1. PURPOSE

- 1.1 This report seeks to provide the Committee with the updated Risk Management Policy & Strategy for the Office of the Police and Crime Commissioner.

2. RECOMMENDATIONS

This report recommends that:

- 2.1 The Committee notes the current Risk Management Policy & Strategy for the Office of the Police and Crime Commissioner.

3. BACKGROUND

- 3.1 The development of the Risk Management Policy and Strategy has built on the initial documents that the Audit committee have previously seen and were developed from the original Police Authority documentation.
- 3.2 Work has been undertaken with the Constabulary to review and to align both the OPCC and the Constabulary risk registers with full reviews being undertaken in both organisations. Detailed risk registers are also being developed across each of the OPCC Service Delivery streams, of which the Audit Committee has seen the Estates Change Programme Risk Register in previous meetings.
- 3.3 More detailed work has highlighted that the effect of strategic risks have different foci and it has been agreed that whilst the registers will remain joined that they will not be a joint register. Both registers identify where risks are linked but the effects on the Commissioner and the Chief Constable have very different mitigating actions and so will therefore be managed and reported separately.
