Audit Progress Report - 2013/14

We are pleased to attach our Audit Progress Report.

This report summarises the work we have undertaken to date. Its purpose is to provide the Joint Audit Committee with an overview of the stage we have reached in the 2013/14 audit and ensure our audit is aligned with the Committee's service expectations.

Our audits are undertaken in accordance with the requirements of the Audit Commission Act 1998, the Code of Audit Practice, the Audit Commission Standing Guidance, auditing standards and other professional requirements.

We welcome the opportunity to discuss this report with you as well as understand whether there are other matters which you consider may influence our audits.

Yours faithfully

In March 2010 the Audit Commission issued a revised version of the 'Statement of responsibilities of auditors and audited bodies' (Statement of responsibilities). It is available from the Chief Executive of each audited body and via the [Audit Commission's website](#).

The Statement of responsibilities serves as the formal terms of engagement between the Audit Commission's appointed auditors and audited bodies. It summarises where the different responsibilities of auditors and audited bodies begin and end, and what is to be expected of the audited body in certain areas.

The Standing Guidance serves as our terms of appointment as auditors appointed by the Audit Commission. The Standing Guidance sets out additional requirements that auditors must comply with, over and above those set out in the Code of Audit Practice 2010 (the Code) and statute, and covers matters of practice and procedure which are of a recurring nature.

This report is prepared in the context of the Statement of Responsibilities. It is addressed to the Members of the audited body, and is prepared for their sole use. We, as appointed auditor, take no responsibility to any third party.

Our Complaints Procedure – If at any time you would like to discuss with us how our service to you could be improved, or if you are dissatisfied with the service you are receiving, you may take the issue up with your usual partner or director contact. If you prefer an alternative route, please contact Steve Varley, our Managing Partner, 1 More London Place, London SE1 2AF. We undertake to look into any complaint carefully and promptly and to do all we can to explain the position to you. Should you remain dissatisfied with any aspect of our service, you may of course take matters up with our professional institute. We can provide further information on how you may contact our professional institute.

Financial Statements

We are required to give an audit opinion on whether the financial statements of The Office of the Police & Crime Commissioner for Hampshire (the PCC) and The Office of the Chief Constable for Hampshire Constabulary (the CC) give a true and fair view of the financial position as at 31 March 2014 and of the income and expenditure for the year then ended.

We recognise the manner in which these two bodies are inter-linked and operate based on the governance documents and scheme of consents that have been adopted. Therefore, whilst each is a separate audit engagement, this update recognises the programme of work required has much in common.

We adopt a risk based approach to the audit and as part of our ongoing continuous planning we continue to meet key officers and other stakeholders:

Post statements visit

We have substantially completed procedures required by both our audit approach and international standards on auditing. Our conclusions are set out in the Audit Results Reports for the PCC and the CC included on today's agenda as separate items. The reports have been discussed and agreed with the Police and Crime Commissioner, the Chief Constable, and the Chief Financial Officers for the PCC and CC.

We will also review and report to the National Audit Office, to the extent and in the form required by them, on your whole of government accounts return. Our work in this area is ongoing at the time of writing this update and we will update the Committee at the meeting.

Value for money assessment

We are required to give a statutory conclusion on the PCC's and CC's arrangements to secure economy, efficiency and effectiveness. The Audit Commission has reapplied the two specified criteria for the value for money conclusion for the 2013/14 audit. Our work will therefore focus on:

- ▶ arrangements for securing financial resilience - whether the PCC and CC have robust systems and processes to manage financial risks and opportunities effectively, and to secure a stable financial position that enables it to continue to operate for the foreseeable future; and
- ▶ arrangements for securing economy, efficiency and effectiveness - whether the PCC and CC are prioritising resources within tighter budgets, for example by achieving cost reductions and by improving efficiency and productivity.

We have included our conclusions against the risks included in our Audit Plan in the Audit Results Reports for the PCC and CC presented to the Joint Audit Committee today.

We set out below a timetable showing the key stages of the audit, including the value for money work, and the deliverables we will provide to you through the 2013/14 Joint Audit Committee cycle.
