

## Welcome to SafetyNet+

Thank you for your interest in joining the partnership information sharing database for Hampshire, Isle of Wight, Portsmouth and Southampton.

SafetyNet+ is managed on behalf of Community Safety Partners by the Office of the Police and Crime Commissioner (OPCC).

SafetyNet+ is a secure partnership database for information sharing, joint risk management and problem solving for multi-agency work. It has been designed to enable Community Safety Partners, supported by the legitimate legal basis for sharing personal and sensitive data, to work together to protect and safeguard those at most risk and jointly manage those that prevent a threat.

The attached *Information Sharing Framework and Connection to SafetyNet+* documentation facilitates your organisation's access to SafetyNet+. Please read the documentation and sign and return the following sections:

### Information Sharing Framework and Connection to SafetyNet+

- **Connection Agreement**  
A Deed for the agreement between the OPCC and your Organisation (as required by Article 28(3) of the General Data Protection Regulation 2018).
- **Schedule 3 – Information Sharing Agreement**  
An Information Sharing Agreement between your organisation and other SafetyNet+ Partners to share information on SafetyNet+.

If you have any questions please contact the System Administrator at the Office of the Police and Crime Commissioner via the email address below.

Please return the signed documentation to:
