- Payment date*
- Supplier name*
- Expense Area*

Alternatively, if the information is being published via your website please can you provide the relevant web page link.

Response:

The information that you request is information that will be available at a future date and will be uploaded to the Office of the Police and Crime Commissioner website within the next few months. Therefore currently the information is exempt under the Freedom of Information Act, Part II, Section 22(1)(a) which states “the information is held by the public authority with a view to its publication, by the authority or any other person, at some future date (whether determined or not).

I would advise however that we receive spend reports from our central finance processing team which are then uploaded to the OPCC website. This can take several weeks after a month end closure, therefore the website information will always be at least two or three months behind a financial month end. I regularly monitor and chase the spend reports and these are uploaded to the website as soon as they are received.

If you are unhappy with the way the request has been handled or the decision made, you have the right to require the Office of the Police and Crime Commissioner for Hampshire to review the decision. Complaints should be made in writing to opcc@hampshire.pnn.police.uk . If you are unhappy with the outcome of the review, you can contact the Information Commissioner.
