

Organisation	Summary of request	Amount agreed
Age Concern Hampshire (ACH)	Funding will contribute towards the cost of the trial and enable us to purchase two devices such as the Amazon Echo Show, which is designed specifically to be easy to use for video calling. These will be issued on loan to two residents willing to be testers and used in our trial to identify and solve problems associated with connectivity and the design of suitable group activities. Information and advice can be given on topics such as scams. Difficulties being experienced by older people and their carers can be identified before crisis point is reached.	£500
Marvels and Meltdowns ADHD and Autism Parent Care Support Charity	Subscription to enable the hosting of support groups online through a video host such as ZOOM, providing the vital support network we as a charity have created within the community which will help to alleviate some of the isolation which has intensified in this period.	£231
Amber Chaplains	The money will fund our outreach sessions to women selling sex in Empress Road area on Monday and Friday evenings and will cover PPE equipment for staff and volunteers, A further pair of magnetic 'Amber' signs for cars so we can socially distance ourselves as a team as well as from the women, Personal attack alarms to give out to women we meet, Preparation and printing of safety leaflets with government messages, support available and any NUM /police alerts, Hand gel/anti-bacterial wipes for the women, We will also offer Basics Bank vouchers to support those who are in need of basic food. The cost to Amber would be in petrol to cover mileage, PAYG handsets and top up vouchers for mobile phones for women.	£500
Basingstoke Counselling Service	In order for us to continue operating and continue taking on new clients in the current difficult situation we are having to move our services online. We are offering to provide counselling services via Zoom/Teams and by telephone where appropriate. Cost of licenses and associated costs to enable online sessions.	£500
Burrige social and sports club	To purchase security /alarm to protect premises	£500
Chrysalis	Purchase of equipment to allow the Chrysalis team to provide support services to vulnerable members of the LGBT+ community online as well as to put towards costs of attending online working training courses for staff and volunteers.	£500
Citizens Advice Isle of Wight	For 2 mobile phones and contracts, so that we can mobilise more of our volunteer Advisers from home to be able to both answer our local rate phone number and give advice and support to those who need it most	£347.98
Farnborough Scouts	To pay for a burglar alarm system, coupled with some entry-level, wi-fi CCTV cameras for the scout hut.	£500

Organisation	Summary of request	Amount agreed
Federation of Shalfleet & Yarmouth CE Primary Schools	The £500.00 funding would purchase two iPads, one to be allocated to each school - To enable our most vulnerable children to access online learning from home	£500
Fluid Motion Theatre Company	Will be for the purchase of digital equipment so that Fluid Motion can create a new online project that provides important information to young people (11-18) about domestic abuse and how to seek help, working with the North East Hampshire Domestic Abuse Forum. The equipment would also allow us to adapt existing projects, so that our work can be accessed online when people might need it the most.	£389.98
Friends of Alverstoke Junior School	The children of the school would like to raise awareness to the local community about keeping safe and crime prevention over the coming months. To provide professional printing of the posters and letters £100.	£100
Gosport Borough Football Club	We would like to apply for a tall fridge so that we can store donated food that we are donating to the most needy in the Gosport community	£400
Gosportarians	To fund the production and distribution of protective equipment	£500
Hable-le-Rice Parish Council	To improve the quality of lighting around the Roy Underdown pavilion in Hamble to deter vandalism and anti-social behaviour	£500
Hale Gardens tennis Club	The club is tucked away and in a vulnerable position. We are a small club with limited funds and need to increase security due to alcohol on the premises and reports of teenagers hanging out in the grounds.	£500
HIVE Portsmouth	£500 towards the next leaflet, which will include information about how people can seek support around domestic violence.	£500
Marchwood Isolation Support Group	A 'virtual landline' service so that people in need can call a single local phone number and then be redirected to whichever volunteer is on duty at the time. PPE for volunteers to keep both them and the vulnerable people we are helping safe. Flyers / posters to let people know about the group, what we do, and how to get in touch.	£150
Medaille Trust	Modern Slavery safe houses - Due to Covid 19 we would like to supply 9 clients with electronic devices (tablets) to ensure they continue with English classes on-line and any other lessons that they have signed up for. Due to lack of English they can access all these activities in their own Language which will give them the tools to help with isolation and anxieties they have in these unprecedented times	£500

Organisation	Summary of request	Amount agreed
Mill Rythe Junior School	ongoing security of the school site during the outbreak	£500
Nether Wallop Parish Council	Zoom license to allow 100 participants to meet online for over 40 minutes	£200
Network Ryde (Virtual Youth Club)	Materials for an art/design/Street art project which requires the Young People to create posters or artwork about the importance of social distancing during this crisis when away from home, on exercise walks and shopping	£500
Nigerian Community in Hampshire	To support continued purchase and distribution books, care packages during this lockdown for the less privileged youths in the communities we cater for. To purchase equipment that will plug into our website to enable sessions to hold effectively online. To help pay for room hire and other resources for the project when the lockdown is over.	£260

Southampton Advice & Representation Centre LTD (SARC)	We are looking for funding for 2 refurbished laptops and associated costs to continue to provide a vital service for our clients working remotely. SARC help with benefits and employment law - signpost to foodbanks	£500
Southampton Carers	To purchase a new laptop/software to enable assessments to be carried out working from home - the assessments enable carers to access the support they need , including safeguarding	£500
Southampton CV19 Support Group	The money will pay for much needed acetates and filaments for the 3D printing materials for face shields and mask clips and also enable us to replenish our soap and sanitiser supplies.	£500
Suicide Prevention and Intervention IOW	funding would pay for a new laptop to ensure another online member of our team is available to answer the online chats	£500
Swanmore Parish Council, Shedfield Parish Council, Owslebury Parish Council	I am a community based member of several parish councils that gives signpost advice to the full range of diversities and communities. I would like to request the funding for a tablet computer to assist me in my duties. It would assist me in making immediate referrals to the food bank, look up advice and support links for residents as well as keep myself up to date with neighbourhood issues and allowing me to show crime prevention advice without the need for printing	£479
Swaythling Parish – St Alban’s and St Mary’s Churches	to provide care and activity packs to local residents – families, isolated individuals and those struggling with mental health during the lockdown period.	£400
Taqwah Mosque Trust	Installing CCTV system for safety and security of the site. The mosque is fully (100%) closed due to lock down. This is very important for safeguarding too for users and visitors alike.	£500

Organisation	Summary of request	Amount agreed
Test Valley Citizens Advice	Mobile phones for advisors so they can work more effectively from home supporting those who need access to advice and meet increased demand	£500
The Vine Drop-In Centre	Will go towards our Covid-19 Community Support response. Food and essential items for care packages (1.50 per meal, 75p of which is done through donations, 75p through funding), travel costs for volunteers and deliveries, utilities – gas, electricity and telephone, PPE. By helping those that are self-isolating or vulnerable to get the essentials they require	£100
Three Rivers Rail Partnership	Purchase of security lights and equipment to help secure the site	£310
Thrupton Virus Volunteers Group	Supporting 40 vulnerable / self-isolating residents in the COVID – 19 CRISIS - will use the funding for PPE including lanyards volunteers for identification and lanterns and pay as you go phones for vulnerable	£500
Tonic Music for Mental Health	The funding will enable Tonic to stay in touch with its service users, support their recovery and maintain relationships with this vulnerable group of people with anxiety, depression and suicidal thoughts. The funding will be used specifically to fund the on-line sessions, these include our two community choirs (Ska Choir and Punk Choir). The funding would be used towards the costs that include: Laptop, Pro Zoom Licence and New microphones.	£500
UK Shaolin Temple Ltd	The UK Shaolin Temple wants to launch a campaign to promote togetherness, raise awareness and prevent hate crime connected to Covid-19. The funding will pay for poster and social media campaign designs and creation, as well as the design and creation of short video clips to raise awareness and educate the public about hate crime related to Covid-19.	£500
Unity 101	For the production of special Covid-19 broadcasts that will include safeguarding messages	£500

Organisation	Summary of request	Amount agreed
Wildern School	<p>Project 1: materials to create PPE equipment</p> <p>Project 2: We have a number of disadvantaged students and families in our locality who have not got access to some of the resources they need to support home schooling. This ranges from equipment, to paper, to stationary and the access to materials that other students and families may have.</p> <p>Project 3: Lockdown Garden Project We would like to have the vulnerable (those at risk who have Social Worker attachment) and students who have parents that are key workers who are in school develop some gardens in school that would be maintained and looked after to help keep them engaged and produce a long lasting memorial of our support for each other in these times.</p>	£500
Winchester and District Neighbourhood Mediation Service	In order to protect vulnerable tenants and to stop disputes escalating into offending we wish to obtain a video conferencing system and to train 2 mediators to use this as soon as possible.	485
Winchester Street Reach	Due to the increase in online fraud, our youth workers have been providing a lot of proactive advice to young people around keeping safe online, increasing privacy settings and helping them to stay safe from being hacked at a time when they are spending more time online and using new and unfamiliar platforms. The funding would enable us to continue providing and enhance this service, as most of our current funding is designated to specific projects which are on hold. It would also enable us to widen the number of vulnerable young people that we work with, ensure they have access to support to improve their safety online and to prevent them from being a victim of crime	£500
Southampton Sight	We are asking for £500 to use for care packages, shopping, telephone charges and specialist equipment for isolated people living with sight loss in Southampton.	250
Yateley Industries for disabled residents	Costs to support residents to understand Government restrictions/and provide them with support to access what they require - Due to the nature of our resident's conditions which are varied across the estate for a large amount of them their comprehension and understanding of the restrictions currently imposed by Government is for some very limited	£500
Yellow Door (Solent)	We have obtained quotes for the installation and security equipment. We would be looking for this grant to fund the CCTV element of the security equipment and Yellow Door will fund the exterior lighting.	£500
Home Start Hampshire	Remote Communication avenue for vulnerable families affected by mental health issues to connect with volunteers, staff and other families in a group setting. Cost of licences and equipment.	£500
