

# THE YOUTH COMMISSION WHAT YOU NEED TO KNOW

## WHAT IS THE YOUTH COMMISSION?

The purpose of the Youth Commission is to make young people part of the solution to tackling crime and improving policing, rather than being seen as part of the problem.

There are up to 50 members aged 14-25, from across Hampshire, Isle of Wight, Portsmouth and Southampton from all backgrounds.

### The aims of the Youth Commission are to:

- Influence, and work with the Police and Crime Commissioner and their office
- Identify three priority areas relating to young people around police and crime
- Consult young people on our priorities through the 'Big Conversation'
- Link with Hampshire Constabulary and Criminal Justice partners
- Attend events and tackle the three priorities by raising awareness
- Create exciting campaigns
- Represent the Youth Commission at relevant events, conferences and meetings
- Share views with professionals by making recommendations for change and suggesting solutions
