Decision title

Request for financial assistance for current and former police officers in inquest proceedings

Executive summary

An application has been received from one current and one former police officer for financial assistance to enable them to be represented fairly in forthcoming inquest proceedings. It is a statutory requirement for the Police and Crime Commissioner (PCC) to make a decision on such requests. Having considered the facts of the case and given due regard to Home Office guidance, it is recommended that finance assistance is provided to both individuals.

Recommendation

- 1) Finance assistance be provided for the two individuals;
- 2) Authority is given to the Chief Executive to keep costs under review and to authorise the payment of the final fees.
