Summary of Need: Themes by District .....	32

## Background

The Police and Crime Commissioner has an ambition, through her Commissioning Team, for Hampshire and the Isle of Wight to be two of the safest places to live, work and visit in the country.

The current grant round, the Safer Communities Fund (SCF), has historically invited a diverse range of applications as long as they could evidence delivery against the Police and Crime Plan priorities. Since the 2022/23 financial year this has led to an annual spend of £880,000, funding 44 different projects to address the themes of:

- Preventing Youth Crime & Exploitation (£600,000; 68% of SCF Grant funding).
- Reducing Reoffending (£100,000; 11% of SCF Grant funding).
- Tackling ASB, Crime Prevention, Domestic Abuse, Equality & Inclusion and Hidden Harm (£280,000; 32% of SCF Grant funding).

Additionally, the Commissioner also allocates £357,000 in grants annually to the Youth Justice System (YJS) which is split across the four YJS's through an agreed formula based calculation. This funding is used by each YJS to support activities focused on Preventing Youth Crime and Exploitation.

Between the SCF and YJS grants the Commissioner currently spends £957,000 annually on Preventing Youth Crime and Exploitation, not including the projects funding through the Violence Reduction Unit. Both the SCF and YJS grants conclude on the 31<sup>st</sup> March 2025.

Due to the level of funding allocated to the theme of preventing youth crime and exploitation, this Strategic Needs Assessment has been completed to explore youth needs across the 14 districts to help inform the Commissioner's next funding investment.

This document therefore explores:

- The demographic characteristics of young people<sup>i ii iii iv v vi vii viii</sup>.
- The geographical characteristics of the district<sup>ix</sup>.
- What crimes impact young people<sup>x</sup>.
- Where crimes impact young people<sup>xi</sup>.
- When crimes impact young people<sup>xii</sup>.
- Which young people are impact by crimes<sup>xiii</sup>
- The priorities of local Community Safety Partnerships (CSP)<sup>xiv xv xvi xvii xviii xix xx xxi xxii xxiii xxiv xxv xxvi xxvii</sup>
- Young people in education<sup>xxviii xxix xxx</sup>
- Looked after children<sup>xxx</sup>
- Young people and healthcare interactions<sup>xxxii xxxiii xxxiv xxxv</sup>
- Young people employment, and housing<sup>xxxvi xxxvii xxxviii</sup>

## Hampshire & Isle of Wight

### Summary of Need

- Projects that address Violence against the Person offences (35% of offending, 66% of victims), including serious violence (205 offences, 527 victims).
- Projects that address youth ASB (3,694).
- Projects that target male offenders (75%).
- Projects that engage looked after children (3,067).
- Projects that engage children suspended from education (25,531).
- Projects that run between 15:00-17:59 (19% of offending, 21% of victims).
- Projects that address offending in public locations (62% of offending).
- Projects that discuss healthy relationships, including domestic abuse (4,105 victims).

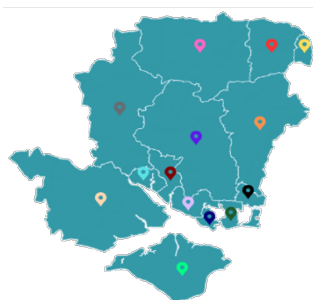

Figure 1. Map of HIOW.

Hampshire & the Isle of Wight (HIOW) covers an area of 4,148 squared kilometres. It consists of four Unitary Authorities: Hampshire, Portsmouth, Southampton, and the Isle of Wight, and 14

Local Authorities. HIOW has a population density of 487 usual residents per square kilometre. Across HIOW there are 561,557 young people aged 24 and under, of which around 52% are male (289,485) and 48% are female (272,072). Most young people between the ages of 16 and 24 are “straight or heterosexual” (173,300; 83%), and identify as a gender identity that is the same as their biological sex at birth (193,150; 92%). The majority (91%; 509,817) of young people do not have a disability. Around 86% (483,972) of young people are “White”. Most young people did not have a religion (313,408; 55.8%), the next most prevalent religion was Christianity (177,253; 32%).

## Young People Committing Crimes

### Who?

In 2023/24 across HIOW HIOWC recorded 10,617 offences with an offender aged 10-24. Most were male (7,808; 75%), aged 18-24 (4,878; 47%), and White (5,801; 55%).

### What?

The most commonly committed offences were Violence against the Person (3,681; 35%), Theft Offences (2,342; 22%), and Drug Offences (1,977; 19%). There were also:

- 3,694 incidents of youth Anti-Social Behaviour.
- 1,639 offences that involved the use of a substance.
- 852 offences that involved the use of a weapon, most commonly bladed implements (393; 46%).
- 328 hate related offences.
- 205 incidents of Serious Violence (including 2 homicides)
- 482 Domestic Abuse Offences.

### When?

- Time: 15:00-17:59 (2,031; 19%)
- Day: Saturday (1,589; 15%)
- Day & Time: Wednesday 15:00-17:59 (331; 3%)
- Month: April (1,085; 10%).

Table 1. Day and time of youth offending, HIOW.

### Where?

Across HIOW the highest number of youth offences occurred in Southampton (2,067; 20%) and Portsmouth (1,829; 17%). The highest rate per 1,000

of the population occurred in the Isle of Wight (30 per 1,000). Overall:

- 6,560 (62%) occurred in public locations.
- 944 (9%) occurred in rural beat areas.
- 1,765 (17%) occurred in licensed premises.

## Young People Victimised by Crimes

### Who?

In 2023/24 HIOWC recorded 40,525 victims aged 0-24 across HIOW. Around 50% were female (20,279), and 47% were male (19,034), most were aged 18-24 (17,285; 43%), and the majority did not have a recorded ethnicity (29,872; 74%).

### What?

The most common offences victimising young people were Violence against the Person (26,538; 66%), Sexual offences (4,271; 11%) and Theft offences (4,080; 10%). There were also:

- 3,072 offences that involved the use of a substance.
- 2,349 offences that involved the use of a weapon, most commonly non-bladed implements (1,112; 47%).
- 527 incidents of Serious Violence.
- 1,247 hate related offences.
- 4,105 Domestic Abuse offences.
- 4,214 cases of child abuse.

### Where?

Across HIOW the highest number of youth victims occurred in Southampton (8,632; 21%) and Portsmouth (6,519; 16%). The highest rate per 1,000 of the population also occurred in Southampton (306 per 1,000). Overall:

- 13,665 (34%) occurred in public locations.
- 4,623 (11%) occurred in rural beat areas.
- 3,066 (8%) occurred in licensed premises.

Table 2. Day and time of youth victimisation, HIOW.

## Beyond Crime Data

### Education

In 2022/23 across HIOW:

- 190 (0.07%) students were excluded and 25,531 (10%) were suspended from education
- 48,634 (19%) students classed as persistent absentees.
- 63% of students achieved Grade 4 or above in GCSE Maths and English (12,377).

### Looked After Children

In March 2023 there were 3,067 looked after children across HIOW. This equates to 27% of looked after children within the South East.

### Healthcare

- In 2022/23 30 hospital admissions for assaults with sharp objects.
- In 2022/23 25,297 (3.6%) school aged children identified as having social, emotional, and mental health needs.

### Employment & Housing

- In 2023 5.1% (2,167) of 16-17 year olds are classified as NEET.
- In 2022/23 3,036 households owed a prevention duty under the Homelessness Reduction Act had dependent children.

## Basingstoke & Deane

### Summary of Need

- Projects aimed to reduce Violence against the Person Offences (38% of offenders, 70% of victims), use of bladed implements (75% of offences involving a weapon), and incidents of serious violence (40 offenders, 26 victims).
- Projects that run between 15:00-17:59 (22% of offending, 23% of victims).
- Projects that support those suspended (16,768 across HCC) from Education.
- Projects that explore healthy relationships, including domestic abuse (358 victims) and sexual offences (244 victims).
- Projects that target looked after children (1,853 across HCC).
- Projects that address youth ASB (238 incidents).
- Projects that address offending in public locations (61% of offending, 30% of victims).

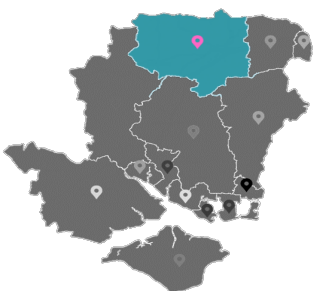

Figure 2. Basingstoke & Deane on the HIOW map.

Basingstoke & Deane is a Local Authority (LA) within the Hampshire County Council (HCC) Unitary Authority Area, covers an area of around 634 square kilometres, and has a population density of 292 persons per square kilometre. Basingstoke & Deane has a total population of 185,154,

of which 28% (51,651) are between the ages of 0-24. Amongst the young person population there is an almost equal gender split of 51% (26,545) male and 49% (25,106) female. Most young people between the ages of 16 and 24 are "straight or heterosexual" (13,930; 85%), and identify as a gender identity that is the same as their biological sex at birth (15,360; 94%). The majority (91%; 47,208) of young people do not have a disability. Around 85% (43,788) of young people are "White". Most young people did not have a religion (28,133; 54%), the next most prevalent religion was Christianity (17,220; 33%).

### Young People Committing Crimes

#### Who?

In 2023/24 in Basingstoke & Deane HIOWC recorded 712 offences with an offender aged 10-24. Most were

Male (512; 71.9%), aged 18-24 (358; 50.3%), and White (392; 55.1%). In 2022 across HCC 100 per 100,000 young people were classed as First-Time Entrants, this data is not available at a LA level.

#### What?

The most commonly committed offences by young people in Basingstoke & Deane were Violence against the Person (273; 38.34%), Theft offences (145; 20.37%), and Drug Offences (131; 18.4%). There were also:

- 238 incidents of youth Anti-Social Behaviour.
- 93 offences that involved the use of a substance.
- 88 offences that involved the use of a weapon, most commonly bladed implements (66; 75%).
- 34 hate related offences.
- 40 incidents of Serious Violence.
- 35 Domestic Abuse Offences.

#### Where?

In 2023/24 6.7% of crimes committed by young people in HIOW occurred in Basingstoke & Deane (712).

- 431 (60.5%) occurred in public locations.
- 103 (14.5%) occurred in rural beat areas.
- 96 (13.5%) occurred in licensed premises.

#### When?

- Time: 15:00-17:59 (157; 22%)
- Day: Friday (144; 20%)
- Day & Time: Friday 18:00-20:59 (38; 5%)
- Month: May (96; 13%).

## Young People Victimised by Crimes

### Who?

In 2023/24 HIOWC recorded 3,278 victims aged 0-24 in Basingstoke & Deane. Around 52.6% were female (1,725), and 45.3% were male (1,484), most were aged 18-24 (1,182; 36.1%), and the majority did not have a recorded ethnicity (2,456; 74.9%).

### What?

The most common offences victimising young people were Violence against the Person (2,280; 69.55%), Sexual offences (343; 10.46%) and Sexual offences (244; 7.44%). There were also:

- 238 offences that involved the use of a substance.
- 158 offences involved the use of a weapon, most commonly non-bladed implements (74; 47%).
- 26 incidents of Serious Violence.
- 93 hate related offences.
- 358 Domestic Abuse offences.
- 434 cases of child abuse.

### Where?

In 2023/24 8.1% (3,278) of crimes that victimised young people in HIOWC occurred in Basingstoke & Deane.

- 979 (29.9%) occurred in public locations.
- 645 (20%) occurred in rural beat areas.
- 179 (5.5%) occurred in licensed premises.

### When?

- Time: 15:00-17:59 (766; 23%)

Courtney McMahon (50774)

## Beyond Crime Data

### CSP Priorities

- Improved feelings of safety and health outcomes (public, virtual and private space)
- Serious Violence
- ASB
- Domestic Abuse

### Education

Education data is not available at a LA level. In 2022/23 within the HIPS area, HCC had:

- The highest number of students experiencing suspensions (16,768) and exclusions (124).
- 31,777 (18.4%) students classed as persistent absentees- lowest in HIPS area and below the rate for England and the South East.
- The highest rate of students achieving Grade 4 or above in GCSE Maths and English (66%).

### Looked After Children

In March 2023 there were 1,853 looked after children in HCC (60% of HIPS), this data is not available at an LA level. This equals 65 looked after children under 18 year olds per 10,000 of the population.

### Healthcare

Data is not available at an LA level, in the HCC area in 2022/23:

- 337 school aged children per 10,000 identified as having social, emotional, and mental health needs. Lowest rate in HIPS area.
- 61.7 young people aged 15-24 per 100,000 admitted to hospital for substance misuse.
- 468.6 young people aged 10-24 per 100,000 admitted to hospital for self-harm. Lowest in HIPS area, but higher than rate for England and the South East.

### Employment & Housing

Some data is not available at an LA level, where not available data for the HCC area has been presented:

- In 2023 in HCC 4.8% (1,452) of 16-17 year olds are classified as NEET.
- In 2022/23 in HCC 9.9 per 1,000 households owed a duty under the Homelessness Reduction Act have dependent children. Lowest rate in HIPS area.
- In Basingstoke & Deane (Apr-June-2023) 0.31 per 1,000 households that were owed a homelessness prevention duty had a main applicant aged 18-24.

## East Hampshire

### Summary of Need

- Projects aimed at reducing Violence against the Person Offences (30% of offenders, 69% of victims).
- Projects that run between 15:00-17:59 (17% of offending, 23% of victims).
- Projects that support young men (82% of offenders).
- Projects that address crime in rural beat areas (60% of offences, 56% of victims).
- Projects that engage with looked after children (1,853 across HCC).
- Projects that support those suspended (16,768 across HCC) from Education.

Figure 3. East Hampshire on the HIOW map.

East Hampshire is a Local Authority (LA) within the Hampshire County Council (HCC) Unitary Authority Area, covers an area of around 514 square kilometres and has a population density of 244 persons per square kilometre. East Hampshire has a total population of 125,744, of

which 26% (32,629) are between the ages of 0-24. Amongst the young person population there is an almost equal gender split of 51% (16,663) male and 49% (15,966) female. Most young people between the ages of 16 and 24 are "straight or heterosexual" (9,060; 84%), and identify as a gender identity that is the same as their biological sex at birth (10,045; 94%). The majority (92%; 30,018) of young people do not have a disability. Around 93% (30,405) of young people are "White". Most young people did not have a religion (17,528; 54%), the next most prevalent religion was Christianity (12,070; 37%).

## Young People Committing Crimes

### Who?

In 2023/24 in East Hampshire HIOWC recorded 330 offences with an offender aged 10-24. The majority were Male (272; 82.4%), aged 18-24 (169; 51.2%), and White (206; 62.4%). In 2022 across HCC 100 per 100,000 young people were classed as First-Time Entrants, this data is not available at a LA level.

## What?

The most commonly committed offences by young people in East Hampshire were Violence against the Person (99; 30%), Theft Offences (74; 22.4%), and Drug Offences (71; 21.52%). There were also:

- 129 incidents of youth Anti-Social Behaviour.
- 30 offences that involved the use of a substance.
- 19 offences that involved the use of a weapon, most commonly non-bladed implements (11; 58%).
- 17 hate related offences.
- 2 incidents of Serious Violence.
- 12 Domestic Abuse Offences.

## Where?

In 2023/24 3.1% of crimes committed by young people in HIOW occurred in East Hampshire.

- 157 (47.6%) occurred in public locations.
- 197 (59.7%) occurred in rural beat areas.
- 21 (6.4%) occurred in licensed premises.

## When?

- Time: 15:00-17:59 (56; 17%).
- Day: Monday (61; 18.5%).
- Day & Time: Thursday 09:00-11:59 (19; 6%).
- Month: August (58; 18%).

Table 5. Day and time of youth offending, East Hampshire.

## Young People Victimised by Crimes

### Who?

In 2023/24 HIOWC recorded 1,369 victims aged 0-24 in East Hampshire. Around 50% were female (691), and 47% were male (662), most were aged 18-24

(526; 38%), and the majority did not have a recorded ethnicity (1,051; 75.3%).

## What?

The most common offences victimising young people in East Hampshire were Violence against the Person offences (963; 69%), Theft offences (131; 9.4%) and Sexual offences (123; 8.8%). There were also:

- 80 offences that involved the use of a substance.
- 67 offences that involved the use of a weapon, most commonly non-bladed implements (40; 60%).
- 15 incidents of Serious Violence.
- 45 hate related offences.
- 143 Domestic Abuse offences.
- 180 cases of child abuse.

## Where?

In 2023/24 3% of crimes that victimised young people in HIOW occurred in East Hampshire.

- 421 (30.2%) occurred in public locations.
- 786 (56.3%) in rural beat areas.
- 95 (6.8%) occurred in licensed premises.

## When?

- Time: 15:00-17:59 (316; 23%).
- Day: Monday and Wednesday (221; 15.8%).
- Day & Time: Thursday (15:00-17:59) (57; 4%).
- Month: May (159; 11%).

## Beyond Crime Data

### CSP Priorities

- Domestic Abuse.
- Drug Related Harm.
- Drug Taking and Supplying of Drugs to School Aged Children.

### Education

Education data is not available at a LA level. In 2022/23 within the HIPS area, HCC had:

- The highest number of students experiencing suspensions (16,768) and exclusions (124).
- 31,777 (18.4%) students classed as persistent absentees- lowest in HIPS area and below the rate for England and the South East.
- The highest rate of students achieving Grade 4 or above in GCSE Maths and English (66%).

### Looked After Children

In March 2023 there were 1,853 looked after children in HCC (60% of HIPS), this data is not available at an LA level. This equals 65 looked after children under 18 year olds per 10,000 of the population.

### Healthcare

Data is not available at an LA level, in the HCC area:

- 337 school aged children per 10,000 identified as having social, emotional, and mental health needs. Lowest rate in HIPS area.
- 61.7 young people aged 15-24 per 100,000 admitted to hospital for substance misuse.
- 468.6 young people aged 10-24 per 100,000 admitted to hospital for self-harm. Lowest in HIPS area, but higher than rate for England and the South East.

### Employment & Housing

Some data is not available at an LA level, where not available data for the HCC area has been presented:

- In 2023 HCC 4.8% (1,452) of 16-17 year olds are classified as NEET.
- In 2022/23 in HCC 9.9 per 1,000 households owed a homelessness prevention duty under the Homelessness Reduction Act have dependent children.
- In East Hampshire (Apr-Jun 2023) 0.35 per 1,000 households owed a homelessness prevention duty had a main applicant aged 18-24.

## Eastleigh

### Summary of Need

- Projects that address Theft offences (38% of offenders).
- Projects that address Violence against the Person offences (32% of offenders, 66% of victims).
- Projects that address offending in licensed premises (27% of offending).
- Projects that run between 15:00-17:59 (31% of victims) or 12:00-14:59 (19% of offending).
- Projects that target young men (71% of offenders).
- Projects that target 14-17 year olds (41% offenders).
- Projects that engage with looked after children (1,853 across HCC).
- Projects that support those suspended (16,768 across HCC) from Education.

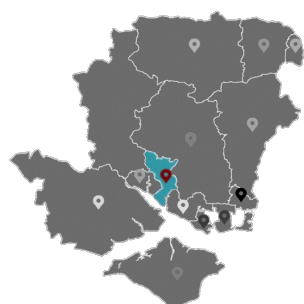

Figure 4. Eastleigh on the HIOW map.

Eastleigh is a Local Authority (LA) within the Hampshire County Council (HCC) Unitary Authority Area, covers an area of around 80 square kilometres, and has a population density of 1,712 persons per square kilometre. Eastleigh has a total population of 136,450, of which 28% (37,866) are

between the ages of 0-24. Amongst the young person population there is an almost equal gender split of 51% (19,479) male and 49% (18,387) female. Most young people between the ages of 16 and 24 are "straight or heterosexual" (9,060; 84%), and identify as a gender identity that is the same as their biological sex at birth (11,140; 96%). The majority (92%; 34,660) of young people do not have a disability. Around 89% (33,798) of young people are "White". Most young people did not have a religion (21,830; 58%), the next most prevalent religion was Christianity (11,981; 32%).

## Young People Committing Crimes

### Who?

In 2023/24 in Eastleigh HIOWC recorded 728 offences with an offender aged 10-24 in Eastleigh. Most were

Male (530; 73%), aged 14-17 (299; 41%), and White (387; 53.2%). In 2022 across HCC 100 per 100,000 young people were classed as First-Time Entrants, this data is not available at a LA level.

### What?

The most commonly committed offences were Theft offences (275; 38%), Violence against the Person offences (230; 32%), and Drug offences (99; 13.6%). There were also:

- 253 incidents of youth Anti-Social Behaviour.
- 91 offences that involved the use of a substance.
- 37 offences that involved the use of a weapon, most commonly firearms (12; 32.4%).
- 26 hate related offences.
- 8 incidents of Serious Violence.
- 22 Domestic Abuse Offences.

### Where?

In 2023/24 7% of crimes committed by young people in HIOW occurred in Eastleigh.

- 490 (67%) occurred in public locations.
- 193 (27%) occurred in licensed premises.

### When?

- Time: 12:00-14:59 (139; 19%)
- Day: Monday (137; 19%)
- Day & Time: Monday 12:00-14:59 (28; 4%)
- Month: July (76; 10%).

	Mon	Tue	Wed	Thur	Fri	Sat	Sun

## Young People Victimised by Crimes

### Who?

In 2023/24 HIOWC recorded 2,228 victims aged 0-24 in Eastleigh. Around 50% were female (1,108) and 47% were male (1,042), most were aged 18-24 (749; 33.6%), and the majority did not have a recorded ethnicity (1,652; 74.1%).

### What?

The most common offences victimising young people were Violence against the Person (1,468; 66%), Sexual Offences (239; 11%), and Theft offences (188; 8%)/Public Order offences (188; 8%). There were also:

- 109 offences that involved the use of a substance.
- 131 offences that involved the use of a weapon, most commonly bladed implements (44; 33.6%).
- 30 incidents of Serious Violence.
- 83 hate related offences.
- 210 Domestic Abuse offences.
- 254 cases of child abuse.

### Where?

In 2023/24 5% of crimes that victimised young people in HIOW occurred in Eastleigh.

- 697 (31%) occurred in public locations.
- 159 (7%) occurred in licensed premises.

### When?

- Time: 15:00-17:59 (478; 21%)
- Day: Tuesday (378; 17%)
- Day & Time: Friday (15:00-17:59) (84; 4%)

## Beyond Crime Data

### CSP Priorities

- Young people prevention from harm
- Reducing Anti-Social Behaviour (ASB) and related low level criminality
- Tackling Drug related harm

### Education

Education data is not available at a LA level. In 2022/23 within the HIPS area, HCC had:

- The highest number of students experiencing suspensions (16,768) and exclusions (124).
- 31,777 (18.4%) students classed as persistent absentees- lowest in HIPS area and below the rate for England and the South East.
- The highest rate of students achieving Grade 4 or above in GCSE Maths and English (66%).

### Looked After Children

In March 2023 there were 1,853 looked after children in HCC (60% of HIPS), this data is not available at an LA level. This equals 65 looked after children under 18 year olds per 10,000 of the population.

### Healthcare

Data is not available at an LA level, in the HCC area in 2022/23:

- 337 school aged children per 10,000 identified as having social, emotional, and mental health needs. Lowest rate in HIPS area.
- 61.7 young people aged 15-24 per 100,000 admitted to hospital for substance misuse.
- 468.6 young people aged 10-24 per 100,000 admitted to hospital for self-harm. Lowest in HIPS area, but higher than rate for England and the South East.

### Employment & Housing

Some data is not available at an LA level, where not available data for the HCC area has been presented:

- In 2023 in HCC 4.8% (1,452) of 16-17 year olds are classified as NEET.
- In 2022/23 in HCC 9.9 per 1,000 households owed a duty under the Homelessness Reduction Act with dependent children. Lowest rate in HIPS area.
- In Eastleigh (Apr-Jun-2023) 0.31 per 1,000 households owed a homelessness prevention duty had a main applicant aged 18-24.

## Fareham

### Summary of Need

- Projects that address Theft offences (38% of offenders).
- Projects that address Violence against the Person offences (29% of offenders, 62.5% of victims).
- Projects that target youth ASB (244 incidents)
- Projects that run between 15:00-17:59 (25% of offending, 24% of victims).
- Projects that engage with looked after children (1,853 across HCC).
- Projects that support those suspended (16,768 across HCC) from Education.

Figure 5. Fareham on the HIOW map.

Fareham is a Local Authority (LA) within the Hampshire County Council (HCC) Unitary Authority Area, covers an area of around 74 square kilometres, and has a population density of 1,542 persons per square kilometre. Fareham has a total population of 114,513, of which 25% (28,551) are

between the ages of 0-24. Amongst the young person population there is an almost equal gender split of 52% (14,857) male and 48% (13,694) female. Most young people between the ages of 16 and 24 are "straight or heterosexual" (8,325; 86%), and identify as a gender identity that is the same as their biological sex at birth (9,135; 94%). The majority (92%; 26,343) of young people do not have a disability. Around 93% (26,587) of young people are "White". Most young people did not have a religion (17,244; 60%), the next most prevalent religion was Christianity (9,045; 32%).

## Young People Committing Crimes

### Who?

In 2023/24 in Fareham HIOWC recorded 436 offences with an offender aged 10-24. Most were Male (299; 68.6%), aged 18-24 (201; 46%), and White (216; 50%). In 2022 across HCC 100 per 100,000 young people were classed as First-Time Entrants, this data is not available at a LA level.

## What?

The most commonly committed offences committed by young people in Fareham were Theft offences (167; 38%), Violence against the Person (128; 29%), and Drug Offences (50; 11%). There were also:

- 244 incidents of youth Anti-Social Behaviour (ASB).
- 41 offences that involved the use of a substance.
- 21 offences that involved the use of a weapon, most commonly bladed implements (16; 76%).
- 21 hate related offences.
- 2 incidents of Serious Violence.
- 20 Domestic Abuse Offences.

## Where?

In 2023/24 4.1% of crimes committed by young people in HIOW occurred in Fareham.

- 248 (57%) occurred in public locations.
- 57 (13%) occurred in licensed premises.

## When?

- Time: 15:00-17:59 (110; 25%)
- Day: Wednesday (108; 25%)
- Day & Time: Wednesday 06:00-08:59 (26; 6%)
- Month: August (64; 15%).

## Beyond Crime Data

### CSP Priorities

- Prevention and early intervention
- Protecting people from harm

### Education

Education data is not available at a LA level. In 2022/23 within the HIPS area, HCC had:

- The highest number of students experiencing suspensions (16,768) and exclusions (124).
- 31,777 (18.4%) students classed as persistent absentees- lowest in HIPS area and below the rate for England and the South East.
- The highest rate of students achieving Grade 4 or above in GCSE Maths and English (66%).

### Looked After Children

In March 2023 there were 1,853 looked after children in HCC (60% of HIPS), this data is not available at an LA level. This equals 65 looked after children under 18 year olds per 10,000 of the population.

### Healthcare

Data is not available at an LA level, in the HCC area in 2022/23:

- 337 school aged children per 10,000 identified as having social, emotional, and mental health needs. Lowest rate in HIPS area.
- 61.7 young people aged 15-24 per 100,000 admitted to hospital for substance misuse.
- 468.6 young people aged 10-24 per 100,000 admitted to hospital for self-harm. Lowest in HIPS area, but higher than rate for England and the South East.

### Employment & Housing

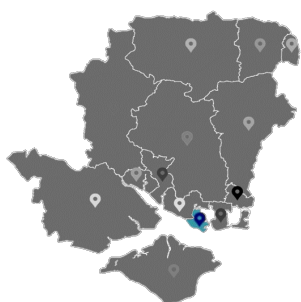

Some data is not available at an LA level, where not available data for the HCC area has been presented:

- In 2023 in HCC 4.8% (1,452) of 16-17 year olds are classified as NEET.
- In 2022/23 in HCC 9.9 per 1,000 households owed a duty under the Homelessness Reduction Act have dependent children. Lowest rate in HIPS area.
- In Fareham (Apr-Jun 2023) 0.32 per 1,000 households owed a homelessness prevention duty had a main applicant aged 18-24.

## Gosport

### Summary of Need

- Services that address Violence against the Person offences (36% of offenders, 67% of victims).
- Services that target young men (80% of young people who offend).
- Services that run between 15:00-17:59 (22% of offending, 23% of victims)
- Services that explore healthy relationships, including domestic abuse (220 victims) and sexual offences (11% of victims).
- Projects that engage with looked after children (1,853 across HCC).
- Projects that support those suspended (16,768 across HCC) from Education.
- Projects that target youth ASB (225 incidents).

Gosport is a Local Authority (LA) within the Hampshire County Council (HCC) Unitary Authority Area, covers an area of around 25 square kilometres, and has a population density of 3,230 persons per square kilometre. Gosport has a total population of 81,952, of

Figure 6. Gosport on the HIOW map.

which 27% (22,306) are between the ages of 0-24. Amongst the young person population there is an almost equal gender split of 52% (11,693) male and 48% (10,613) female. Most young people between the ages of 16 and 24 are "straight or heterosexual" (6,485; 86%), and identify as a gender identity that is the same as their biological sex at birth (7,165; 95%). The majority (89%; 19,925) of young people do not have a disability. Around 93% (20,735) of young people are "White". Most young people did not have a religion (14,725; 66%), the next most prevalent religion was Christianity (5,882; 26%).

### Young People Committing Crimes

#### Who?

In 2023/24 in Gosport HIOWC recorded 422 offences with an offender aged 10-24. The majority were Male (338; 80%), aged 18-24 (183; 43%), and White (249; 59%). In 2022 across HCC 100 per 100,000 young

people were classed as First-Time Entrants, this data is not available at a LA level.

### What?

The most commonly committed offences were Violence against the Person (153; 36%), Theft offences (96; 23%), and Drug offences (69; 16%). There were also:

- 225 incidents of youth Anti-Social Behaviour.
- 43 offences that involved the use of a substance.
- 29 offences that involved the use of a weapon, most commonly non-bladed implements (15; 52%).
- 8 hate related offences.
- 4 incidents of Serious Violence.
- 21 Domestic Abuse Offences.

### Where?

In 2023/24 4% of crimes committed by young people in HIOW occurred in Gosport.

- 232 (55%) occurred in public locations.
- 60 (14%) occurred in licensed premises.

### When?

- Time: 15:00-17:59 (93; 22%)
- Day: Wednesday (78; 18.5%)
- Day & Time: Monday 15:00-17:59 (31; 7.3%)
- Month: April (55; 13%).

### Young People Victimised by Crimes

#### Who?

In 2023/24 HIOWC recorded 1,910 victims aged 0-24 in Gosport. Around 52% were female (994), and 46%

were male (872), most were aged 18-24 (651; 34%), and the majority did not have a recorded ethnicity (1,374; 72%).

## What?

The most common offences victimising young people were Violence against the Person (1,282; 67%), Sexual offences (205; 11%), and Theft offences (183; 10%).

There were also:

- 110 offences that involved the use of a substance.
- 102 offences that involved the use of a weapon, most commonly bladed implements (53; 52%).
- 25 incidents of Serious Violence.
- 49 hate related offences.
- 220 Domestic Abuse offences.
- 211 cases of child abuse.

## Where?

In 2023/24 5% of crimes that victimised young people in HIOW occurred in Gosport.

- 544 (29%) occurred in public locations.
- 48 (3%) occurred in licensed premises.

## When?

- Time: 15:00-17:59 (440; 23%)

Table 12. Day and time of youth victimisation, Gosport.

## Beyond Crime Data

### CSP Priorities

- Community Crime Prevention and Public Safety
- ASB
- Community Wellbeing and Cohesion

## Education

Education data is not available at a LA level. In 2022/23 within the HIPS area, HCC had:

- The highest number of students experiencing suspensions (16,768) and exclusions (124).
- 31,777 (18.4%) students classed as persistent absentees- lowest in HIPS area and below the rate for England and the South East.
- The highest rate of students achieving Grade 4 or above in GCSE Maths and English (66%).

## Looked After Children

In March 2023 there were 1,853 looked after children in HCC (60% of HIPS), this data is not available at an LA level. This equals 65 looked after children under 18 year olds per 10,000 of the population.

## Healthcare

Data is not available at an LA level, in the HCC area in 2022/23:

- 337 school aged children per 10,000 identified as having social, emotional, and mental health needs. Lowest rate in HIPS area.
- 61.7 young people aged 15-24 per 100,000 admitted to hospital for substance misuse.
- 468.6 young people aged 10-24 per 100,000 admitted to hospital for self-harm. Lowest in HIPS area, but higher than rate for England and the South East.

## Employment & Housing

Some data is not available at an LA level, where not available data for the HCC area has been presented:

- In 2023 in HCC 4.8% (1,452) of 16-17 year olds are classified as NEET.
- In 2022/23 in HCC 9.9 per 1,000 households owed a duty under the Homelessness Reduction Act have dependent children. Lowest rate in HIPS area.
- In Gosport (Apr-Jun 2023) 0.74 per 1,000 households owed a homelessness prevention duty had a main applicant aged 18-24.

## Hart

### Summary of Need

- Services that address Violence against the Person offences (43% of offenders, 66% of victims).
- Services that target young men (79% of offenders).
- Projects that engage with looked after children (1,853 across HCC).
- Projects that support those suspended (16,768 across HCC) from Education.
- Services that address offending in public places (68% of offences).
- Services that run between 18:00-20:59 (18% of offending) or 15:00-17:59 (22% of victimisation).
- Projects that target youth ASB (145 incidents).

Figure 7. Hart on the HIOW map.

Hart is a Local Authority (LA) within the Hampshire County Council (HCC) Unitary Authority Area, covers an area of around 215 square kilometres, and has a population density of 462 persons per square kilometre. Gosport has a total population of 99,409, of which 28%

(27,966) are between the ages of 0-24. Amongst the young person population there is an almost equal gender split of 53% (14,749) male and 47% (13,217) female. Most young people between the ages of 16 and 24 are "straight or heterosexual" (7,710; 87%), and identify as a gender identity that is the same as their biological sex at birth (8,410; 94%). The majority (93%; 26,076) of young people do not have a disability. Around 90% (25,057) of young people are "White". Most young people did not have a religion (14,650; 52%), the next most prevalent religion was Christianity (10,395; 37%).

### Young People Committing Crimes

#### Who?

In 2023/24 in Hart HIOWC recorded 217 offences with an offender aged 10-24. The majority were Male (171; 79%), aged 18-24 (100; 46%), and White (121; 56%). In 2022 across HCC 100 per 100,000 young people were

classified as First-Time Entrants, this data is not available at a LA level.

### What?

The most commonly committed offences were Violence against the Person (94; 43%), Drug Offences (56; 26%), and Theft Offences (26; 12%). There were also:

- 145 incidents of youth Anti-Social Behaviour.
- 37 offences that involved the use of a substance.
- 20 offences that involved the use of a weapon, most commonly bladed implements (8; 40%).
- 9 hate related offences.
- 5 incidents of Serious Violence.
- 11 Domestic Abuse Offences.

### Where?

In 2023/24 2% of crimes committed by young people in HIOW occurred in Hart

- 148 (68%) occurred in public locations.
- 44 (20%) occurred in rural beat areas.
- 43 (20%) occurred in licensed premises.

### When?

- Time: 18:00-20:59 (40; 18%)
- Day: Saturday (36; 17%)
- Day & Time: Thursday 18:00-20:59 (15; 7%)
- Month: November (26; 12%) / March (26; 12%).

### Young People Victimised by Crimes

#### Who?

In 2023/24 HIOWC recorded 991 victims aged 0-24 in Hart. Around 49% were female (486), and 48% were

male (471), most were aged 18-24 (369; 37%), and the majority did not have a recorded ethnicity (791; 80%).

## What?

The most common offences victimising young people were Violence against the Person (656; 66%), Sexual offences (110; 11%) and Theft offences (87; 9%).

There were also:

- 64 offences that involved the use of a substance.
- 46 offences that involved the use of a weapon, most commonly non-bladed implements (26; 57%).
- 9 incidents of Serious Violence.
- 32 hate related offences.
- 89 Domestic Abuse offences.
- 112 cases of child abuse.

## Where?

In 2023/24 2.4% of crimes that victimised young people in HIOW occurred in Hart.

- 305 (31%) occurred in public locations.
- 299 (30%) occurred in rural beat areas.
- 90 (9%) occurred in licensed premises.

## When?

- Time: 15:00-17:59 (215; 22%)
- Day: Thursday (158; 16%)
- Day & Time: Tuesday (15:00-17:59) (48; 5%)
- Month: May (119; 12%)

## Beyond Crime Data

### CSP Priorities

- Improved feelings of safety and health outcomes (public, virtual and private space)

- Serious Violence
- ASB
- Domestic Abuse

## Education

Education data is not available at a LA level. In 2022/23 within the HIPS area, HCC had:

- The highest number of students experiencing suspensions (16,768) and exclusions (124).
- 31,777 (18.4%) students classed as persistent absentees- lowest in HIPS area and below the rate for England and the South East.
- The highest rate of students achieving Grade 4 or above in GCSE Maths and English (66%).

## Looked After Children

In March 2023 there were 1,853 looked after children in HCC (60% of HIPS), this data is not available at an LA level. This equals 65 looked after children under 18 year olds per 10,000 of the population.

## Healthcare

Data is not available at an LA level, in the HCC area in 2022/23:

- 337 school aged children per 10,000 identified as having social, emotional, and mental health needs. Lowest rate in HIPS area.
- 61.7 young people aged 15-24 per 100,000 admitted to hospital for substance misuse.
- 468.6 young people aged 10-24 per 100,000 admitted to hospital for self-harm. Lowest in HIPS area, but higher than rate for England and the South East.

## Employment & Housing

Some data is not available at an LA level, where not available data for the HCC area has been presented:

- In 2023 in HCC 4.8% (1,452) of 16-17 year olds are classified as NEET.
- In 2022/23 in HCC 9.9 per 1,000 households owed a duty under the Homelessness Reduction Act have dependent children. Lowest rate in HIPS area.
- In Hart (Apr-Jun 2023) 0.1 per 1,000 households owed a homelessness prevention duty had a main applicant aged 18-24.

## Havant

### Summary of Need

- Projects that address anti-social behaviour (317 incidents)
- Projects that support those suspended (16,768 across HCC) from Education.
- Projects that engage with looked after children (1,853 across HCC).
- Projects that address offending in public places (63% of offences).
- Projects that run between 15:00-17:59 (24% of offending, 22% of victimisation).
- Projects that address Violence against the Person offences (40% of offenders, 67% of victims).
- Projects that explore healthy relationships, including domestic abuse (269 victims) and sexual offences (12% of victims).
- Projects aimed at 14-17 year olds (35% of offenders).

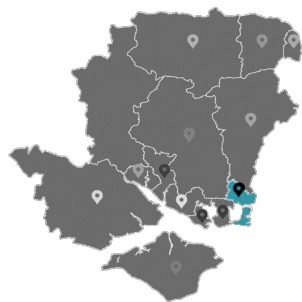

Figure 8. Havant on the HIOW map.

Havant is a Local Authority (LA) within the Hampshire County Council (HCC) Unitary Authority Area, covers an area of around 56 square kilometres, and has a population density of 2,228 persons per square kilometre. Havant has a total population of 124,208, of which 26%

(32,200) are between the ages of 0-24. Amongst the young person population there is an almost equal gender split of 51% (16,396) male and 49% (15,804) female. Most young people between the ages of 16 and 24 are "straight or heterosexual" (9,440; 87%), and identify as a gender identity that is the same as their biological sex at birth (10,255; 94%). The majority (90%; 29,068) of young people do not have a disability. Around 94% (30,155) of young people are "White". Most young people did not have a religion (21,069; 65%), the next most prevalent religion was Christianity (8,796; 27%).

## Young People Committing Crimes

### Who?

In 2023/24 in Havant HIOWC recorded 680 offences with an offender aged 10-24. Most were male (526; 77%), aged 14-17 (237; 35%), and White (378; 56%). In

2022 across HCC 100 per 100,000 young people were classed as First-Time Entrants, this data is not available at a LA level.

### What?

The most commonly committed offences were Violence against the Person (274; 40%), Theft Offences (109; 16%), and Drug Offences (106; 16%).

There were also:

- 317 incidents of youth Anti-Social Behaviour.
- 77 offences that involved the use of a substance.
- 42 offences that involved the use of a weapon, most commonly non-bladed implements (29; 69%).
- 3 hate related offences.
- 29 incidents of Serious Violence.
- 31 Domestic Abuse Offences.

### Where?

In 2023/24 6% of crimes committed by young people in HIOW occurred in Havant.

- 370 (63%) occurred in public locations.
- 47 (7%) occurred in licensed premises.

### When?

- Time: 15:00-17:59 (162; 24%)
- Day: Thursday (134; 20%)
- Day & Time: Thursday 00:00-02:59 (54; 8%)
- Month: October (113; 17%).

Table 15. Day and time of youth offending, Havant.

## Young People Victimised by Crimes

### Who?

In 2023/24 HIOWC recorded 2,665 victims aged 0-24 in Havant. Around 49% were female (1,293) and 49% were male (1,298), most were aged 18-24 (914; 34%), and the majority did not have a recorded ethnicity (2,010; 75%).

### What?

The most common offences victimising young people were Violence against the Person (1,788; 67%), Sexual offences (312; 12%) and Public Order offences (282; 11%). There were also:

- 140 offences that involved the use of a substance.
- 134 offences that involved the use of a weapon, most commonly non-bladed implements (76; 57%).
- 11 incidents of Serious Violence.
- 58 hate related offences.
- 269 Domestic Abuse offences.
- 285 cases of child abuse.

### Where?

In 2023/24 7% of crimes that victimised young people in HIOW occurred in Havant.

- 852 (32%) occurred in public locations.
- 105 (4%) occurred in licensed premises.

### When?

- Time: 15:00-17:59 (631; 24%)
- Day: Monday (418; 16%)
- Day & Time: Monday (15:00-17:59) (116; 4%)

## Beyond Crime Data

### CSP Priorities

- ASB including vulnerable victims of ASB
- Violence, particularly domestic abuse and assault
- Improving public confidence

### Education

Education data is not available at a LA level. In 2022/23 within the HIPS area, HCC had:

- The highest number of students experiencing suspensions (16,768) and exclusions (124).
- 31,777 (18.4%) students classed as persistent absentees- lowest in HIPS area and below the rate for England and the South East.
- The highest rate of students achieving Grade 4 or above in GCSE Maths and English (66%).

### Looked After Children

In March 2023 there were 1,853 looked after children in HCC (60% of HIPS), this data is not available at an LA level. This equals 65 looked after children under 18 year olds per 10,000 of the population.

### Healthcare

Data is not available at an LA level, in the HCC area in 2022/23:

- 337 school aged children per 10,000 identified as having social, emotional, and mental health needs. Lowest rate in HIPS area.
- 61.7 young people aged 15-24 per 100,000 admitted to hospital for substance misuse.
- 468.6 young people aged 10-24 per 100,000 admitted to hospital for self-harm. Lowest in HIPS area, but higher than rate for England and the South East.

### Employment & Housing

Some data is not available at an LA level, where not available data for the HCC area has been presented:

- In 2023 in HCC 4.8% (1,452) of 16-17 year olds are classified as NEET.
- In 2022/23 in HCC 9.9 per 1,000 households owed a duty under the Homelessness Reduction Act have dependent children. Lowest rate in HIPS area.
- In Havant (Apr-Jun 2023) 0.74 per 1,000 households owed a homelessness prevention duty had a main applicant aged 18-24.

## Isle of Wight

### Summary of Need

- Projects that address youth ASB (292 incidents)
- Projects that address offending in licensed premises (21% of offending)
- Projects that address offending in public locations (63% of offending).
- Projects that address Violence against the person offences (31% of offending, 70% of victims).
- Projects that run between 18:00-20:59 (19% of offending) or 15:00-17:59 (24% of victims)
- Interventions that address persistent absentees (24% of students).
- Projects that engage looked after children (122 per 10,000, highest in HIPS).
- Projects that address substance misuse (19% of offences).

Figure 9. The Isle of Wight on the HIOW map.

The Isle of Wight is a Unitary Authority Area, covers an area of around 380 square kilometres, and has a population density of 370 persons per square kilometre. The Isle of Wight has a total population of 140,457, of which 23% (31,812) are between the ages of 0-24.

Amongst the young person population there is an almost equal gender split of 52% (16,528) male and 48% (15,284) female. Most young people between the ages of 16 and 24 are "straight or heterosexual" (9,190; 84%), and identify as a gender identity that is the same as their biological sex at birth (10,195; 93%). The majority (88%; 27,861) of young people do not have a disability. Around 95% (30,326) of young people are "White". Most young people did not have a religion (20,014; 63%), the next most prevalent religion was Christianity (9,105; 29%).

## Young People Committing Crimes

### Who?

In 2023/24 in District HIOWC recorded 947 offences with an offender aged 10-24. Most were male (587; 62%), aged 18-24 (307; 38%), and White (448; 56%). In

2022 252 per 100,000 young people were classed as First-Time Entrants.

### What?

The most commonly committed offences were Violence against the Person (296; 31%), Theft Offences (269; 28%), and Drug Offences (148; 16%). There were also:

- 292 incidents of youth Anti-Social Behaviour.
- 184 offences that involved the use of a substance.
- 44 offences that involved the use of a weapon, most commonly bladed implements (19; 43.2%).
- 23 hate related offences.
- 6 incidents of Serious Violence.
- 34 Domestic Abuse Offences.

### Where?

In 2023/24 9% of crimes committed by young people in HIOW occurred in the Isle of Wight.

- 595 (63%) occurred in public locations.
- 167 (18%) occurred in rural beat areas.
- 201 (21%) occurred in licensed premises.

### When?

- Time: 18:00-20:59 (179; 19%)
- Day: Monday (143; 15%)
- Day & Time: Saturday 18:00-20:59 (42; 4%)
- Month: February (104; 11%).

Table 17. Day and time of youth offending, the Isle of Wight.

## Young People Victimised by Crimes

### Who?

In 2023/24 HIOWC recorded 3,043 victims aged 0-24 in the Isle of Wight. Around 52% were female (1,581), and 45% were male (1,375), most were aged 18-24

(1,209; 40%), and the majority did not have a recorded ethnicity (2,154; 71%).

## What?

The most common offences victimising young people were Violence against the Person (2,120; 70%), Sexual offences (343; 11%) and Public Order offences (262; 9%). There were also:

- 225 offences that involved the use of a substance.
- 135 offences that involved the use of a weapon, most commonly non-bladed implements (57; 42%).
- 20 incidents of Serious Violence.
- 109 hate related offences.
- 322 Domestic Abuse offences.
- 354 cases of child abuse.

## Where?

In 2023/24 8% of crimes that victimised young people in HIOW occurred in the Isle of Wight.

- 1,051 (35%) occurred in public locations.
- 905 (30%) occurred in rural beat areas.
- 152 (5%) occurred in licensed premises.

## When?

- Time: 15:00-17:59 (723; 24%)

21:00–23:59	70	43	50	56	49	47	63

Table 18. Day and time of youth victimisation, the Isle of Wight.

## Beyond Crime Data

### CSP Priorities

- Violent Crime and weapon offences.

- Drug offences.
- Domestic abuse.
- Sexual offences.
- Hate Crime.
- Prevent.
- Reducing reoffending.
- ASB & Community Cohesion.
- Road safety.

## Education

In 2022/23 within the HIPS area, the Isle of Wight had:

- The lowest rate of students experiencing suspensions (1,490; 8.8%) in 2022/23.
- The highest rate of students classed as persistent absentees 3,597 (24%).
- The second lowest rate of students achieving Grade 4 or above in GCSE Maths and English (57.9%).

## Looked After Children

In March 2023 there were 288 looked after children in the Isle of Wight (9% of HIPS). This equals 122 looked after under 18 year olds per 10,000 of the population, the highest rate in the HIPS area.

## Healthcare

- In 2022/23 400 school aged children per 10,000 identified as having social, emotional, and mental health needs.
- In 2022/23 80.1 young people aged 15-24 per 100,000 admitted to hospital for substance misuse.
- In 2022/23 574.8 young people aged 10-24 per 100,000 admitted to hospital for self-harm. Second highest rate in the HIPS area.

## Employment & Housing

- In 2023 4.1% (115) of 16-17 year olds are classified as NEET. The lowest rate in the HIPS area.
- In 2022/23 17.3 per 1,000 households owed a duty under the Homelessness Reduction Act had dependent children.

## New Forest

### Summary of Need

- Projects that support young men (80% of offenders).
- Projects that address substance misuse and subsequent offending (90 offenders, 158 victims)
- Projects that run between 18:00-20:59 (20% of offender) or 15:00-17:59 (20% of victims)
- Projects that address theft offences (26% of offenders).
- Projects that support those suspended (16,768 across HCC) from Education.
- Projects that engage with looked after children (1,853 across HCC).
- Projects that address Violence against the Person offences (25% of offenders, 65% of victims).
- Projects that target offending in licensed premises (24% of offending).

The New Forest is a Local Authority (LA) within the Hampshire County Council (HCC) Unitary Authority Area, covers an area of around 752 square kilometres and has a population density of 234 persons per square kilometre. The New Forest has a total population of 175,788, of which

23% (40,594) are between the ages of 0-24. Amongst the young person population there is an almost equal gender split of 52% (20,992) male and 48% (19,602) female. Most young people between the ages of 16 and 24 are "straight or heterosexual" (11,665; 86%), and identify as a gender identity that is the same as their biological sex at birth (12,780; 94%). The majority (91%; 36,884) of young people do not have a disability. Around 95% (38,368) of young people are "White". Most young people did not have a religion (23,441; 58%), the next most prevalent religion was Christianity (13,901; 34%).

## Young People Committing Crimes

### Who?

In 2023/24 in the New Forest HIOWC recorded 802 offences with an offender aged 10-24. Most were

male (640; 80%), aged 18-24 (307; 38%), and White (448; 56%). In 2022 across HCC 100 per 100,000 young people were classed as First-Time Entrants, this data is not available at a LA level.

### What?

The most commonly committed offences were Theft offences (208; 26%), Violence against the Person offences (199; 25%), and Criminal Damage & Arson (141; 18%). There were also:

- 219 incidents of youth Anti-Social Behaviour.
- 90 offences that involved the use of a substance.
- 56 offences that involved the use of a weapon, most commonly non-bladed implements (29; 52%).
- 11 hate related offences.
- 1 incidents of Serious Violence.
- 39 Domestic Abuse Offences.

### Where?

In 2023/24 7.6% of crimes committed by young people in HIOW occurred in the New Forest.

- 480 (60%) occurred in public locations.
- 276 (34%) occurred in rural beat areas.
- 192 (24%) occurred in licensed premises.

### When?

- Time: 18:00-20:59 (161; 20%)
- Day: Sunday (163; 20%)
- Day & Time: Sunday 12:00-14:59 (45; 6%)
- Month: May (103; 13%).

## Young People Victimised by Crimes

### Who?

In 2023/24 HIOWC recorded 2,531 victims aged 0-24 in the New Forest. Around 49% were female (1,237), and 29% were male (1,232), most were aged 18-24 (952; 38%), and the majority did not have a recorded ethnicity (1,821; 72%).

### What?

The most common offences victimising young people were Violence against the Person (1,681; 66%), Sexual offences (302; 12%) and Public Order offences (224; 9%). There were also:

- 158 offences that involved the use of a substance.
- 150 offences that involved the use of a weapon, most commonly non-bladed implements (72; 48%).
- 25 incidents of Serious Violence.
- 95 hate related offences.
- 270 Domestic Abuse offences.
- 256 cases of child abuse.

### Where?

In 2023/24 6.2% of crimes that victimised young people in HIOW occurred in the New Forest.

- 795 (31%) occurred in public locations.
- 1,044 (41%) occurred in rural beat areas.
- 186 (7%) occurred in licensed premises.

## Beyond Crime Data

### CSP Priorities

- Drug & alcohol related harm
- Domestic Abuse
- Tackling crime and fear of crime through education, prevention and enforcement

### Education

Education data is not available at a LA level. In 2022/23 within the HIPS area, HCC had:

- The highest number of students experiencing suspensions (16,768) and exclusions (124).
- 31,777 (18.4%) students classed as persistent absentees- lowest in HIPS area and below the rate for England and the South East.
- The highest rate of students achieving Grade 4 or above in GCSE Maths and English (66%).

### Looked After Children

In March 2023 there were 1,853 looked after children in HCC (60% of HIPS), this data is not available at an LA level. This equals 65 looked after children under 18 year olds per 10,000 of the population.

### Healthcare

Data is not available at an LA level, in the HCC area in 2022/23:

- 337 school aged children per 10,000 identified as having social, emotional, and mental health needs. Lowest rate in HIPS area.
- 61.7 young people aged 15-24 per 100,000 admitted to hospital for substance misuse.
- 468.6 young people aged 10-24 per 100,000 admitted to hospital for self-harm. Lowest in HIPS area, but higher than rate for England and the South East.

### Employment & Housing

Some data is not available at an LA level, where not available data for the HCC area has been presented:

- In 2023 in HCC 4.8% (1,452) of 16-17 year olds are classified as NEET.
- In 2022/23 in HCC 9.9 per 1,000 households owed a duty under the Homelessness Reduction Act had dependent children. Lowest rate in HIPS area.
- In the New Forest (Apr-Jun 2023) 0.57 per 1,000 households that were owed a homelessness prevention duty had a main applicant aged 18-24.

Table 20. Day and time of youth victimisation, New Forest.  
 Courtney McMahon (50774)

## Portsmouth

### Summary of Need

- Projects aimed at reducing Violence against the Person Offences (35% of offenders, 64% of victims), use of bladed implements (52% of offending that involved a weapon), and serious violence (37 offences, 155 victims)
- Projects to reduce substance use and related offences (254 offences, 479 victims).
- Projects that run between 15:00-17:59 (19% of offending, 20% of victims).
- Projects that support persistent absentees (22.5% of students) and those suspended from Education (13.2% of students).
- Projects targeting young people classed as NEET (5.6% of 16-17 year olds)/school leavers with low educational attainment (52% achieve Grade 4 in GCSE maths & English in 2022/23).
- Projects that support young people impacted by homelessness (27.6 per 1,000 households owed a prevention duty have dependent children).
- Projects that tackle youth ASB (608 incidents).

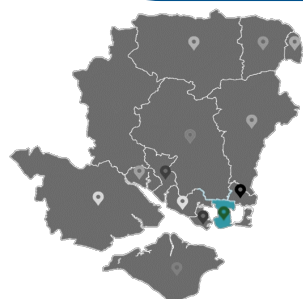

Figure 11. Portsmouth on the HIOW map.

Portsmouth is a Unitary Authority Area, covers an area of around 40 square kilometres, and has a population density of 5,150 persons per square kilometre. Portsmouth has a total population of 208,004, of which 33% (69,599) are

between the ages of 0-24. Amongst the young person population there is an almost equal gender split of 52% (35,938) male and 48% (33,661) female. Most young people between the ages of 16 and 24 are "straight or heterosexual" (25,740; 79%), and identify as a gender identity that is the same as their biological sex at birth (29,055; 90%). The majority (90%; 62,953) of young people do not have a disability. Around 79% (54,732) of young people are "White". Most young people did not have a religion (38,991; 56%), the next most prevalent religion was Christianity (18,616; 27%).

## Young People Committing Crimes

### Who?

In 2023/24 in Portsmouth HIOWC recorded 1,829 offences with an offender aged 10-24. Most were male (1,447; 79.1%), aged 18-24 (851; 46.5%), and White (970; 53%). In 2022 229 per 100,000 young people were classed as First-Time Entrants in Portsmouth.

### What?

The offences most commonly committed by young people in Portsmouth were Violence against the Person (638; 34.88%), Drug Offences (353; 19.30%), and Theft Offences (349; 19.08%). There were also:

- 608 incidents of youth Anti-Social Behaviour.
- 254 offences that involved the use of a substance.
- 148 offences that involved the use of a weapon, most commonly bladed implements (78; 52.7%).
- 52 hate related offences.
- 37 incidents of Serious Violence.
- 93 Domestic Abuse Offences.

### Where?

In 2023/24 17.2% of crimes committed by young people in HIOW occurred in Portsmouth.

- 1,158 (63.3%) occurred in public locations.
- 186 (10.2%) occurred in licensed premises.

### When?

- Time: 15:00-17:59 (353; 19.3%)
- Day: Sundays (338; 18.5%)
- Day & Time: Thursday 15:00-17:59 (73; 4%)
- Month: June (249; 13.6%).

## Young People Victimised by Crimes

### Who?

In 2023/24 in Portsmouth HIOWC recorded 6,519 victims aged 0-24. Around 48% were female (3,155), and 48% were male (3,130), most were aged 18-24 (3,249; 50%), and the majority did not have a recorded ethnicity (4,720; 72%).

### What?

In Portsmouth the most common offences victimising young people were Violence against the Person (4,167; 63.9%), Theft offences (851; 13.1%) and Sexual offences (566; 8.7%). There were also:

- 479 offences that involved the use of a substance.
- 403 offences that involved the use of a weapon, most commonly non-bladed implements (180).
- 155 incidents of Serious Violence.
- 216 hate related offences.
- 587 Domestic Abuse offences.
- 580 cases of child abuse.

### Where?

In 2023/24 16% of crimes that victimised young people in HIOW occurred in Portsmouth.

- 2,417 (37.1%) occurred in public locations.
- 521 (8%) occurred in licensed premises.

Table 22. Day and time of youth victimisation, Portsmouth.

## Beyond Crime Data

### CSP Priorities

- Tackling violent crime (including VAWG, sexual violence, DA, and knife-enabled crime).
- Drug related harm.
- Early identification & interventions for young people at risk.
- ASB.
- Substance Misuse.
- Improve accessibility & capacity of mental health provisions.
- Increase awareness of cyber-related harm.

### Education

In 2022/23 within the HIPS area, Portsmouth had:

- The highest rate of students experiencing suspensions (3,650; 13.2%) in 2022/23.
- 5,857 (22.5%) students classed as persistent absentees.
- The lowest rate of students achieving Grade 4 or above in GCSE Maths and English (52.4%).

### Looked After Children

In March 2023 there were 388 looked after children in Portsmouth (13% of HIPS). This equals 92 looked after children per 10,000 of the population.

### Healthcare

- In 2022/23 450 school aged children per 10,000 identified as having social, emotional, and mental health needs. Highest rate in HIPS area.
- In 2022/23 59.6 young people aged 15-24 per 100,000 admitted to hospital for substance misuse.
- In 2022/23 366.7 young people aged 10-24 per 100,000 admitted to hospital for self-harm. Lowest in HIPS area, but higher than rate for England and the South East.

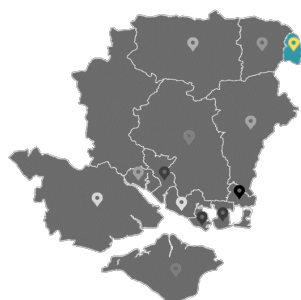

### Employment & Housing

- In 2023 5.6% (237) of 16-17 year olds are classified as NEET.
- In 2022/23 27.6 per 1,000 households owed a prevention duty under the Homelessness Reduction Act have dependent children. Highest rate in HIPS area.

## Rushmoor

### Summary of Need

- Projects that support those suspended (16,768 across HCC) from Education.
- Projects that engage with looked after children (1,853 across HCC).
- Projects that support young men (81% of offenders).
- Projects that run between 15:00-17:59 (22% of victims).
- Projects that address Violence against the Person (36% of offenders, 66% of victims), and use of bladed implements (51% of offences involving a weapon)
- Projects that address youth ASB (122 incidents).

Rushmoor is a Local Authority (LA) within the Hampshire County Council (HCC) Unitary Authority Area, covers an area of around 39 square kilometres, and has a population density of 2,555 persons per square kilometre. Rushmoor has a total population of 99,756, of which 29% (28,512) are between the

ages of 0-24. Amongst the young person population there is an almost equal gender split of 52% (14,942) male and 48% (13,570) female. Most young people between the ages of 16 and 24 are "straight or heterosexual" (8,240; 86%), and identify as a gender identity that is the same as their biological sex at birth (8,980; 93%). The majority (92%; 26,245) of young people do not have a disability. Around 75% (21,405) of young people are "White". Most young people did not have a religion (13,500; 47%), the next most prevalent religion was Christianity (9,666; 34%).

### Young People Committing Crimes

#### Who?

In 2023/24 in Rushmoor HIOWC recorded 352 offences with an offender aged 10-24. Most were male (285; 81%), aged 18-24 (229; 65%), and White (214; 61%). In 2022 across HCC 100 per 100,000 young people were classed as First-Time Entrants, this data is not available at a LA level.

### What?

The most commonly committed offences were Violence against the Person (126; 36%), Drug Offences (95; 27%), and Theft Offences (23; 15%). There were also:

- 122 incidents of youth Anti-Social Behaviour.
- 60 offences that involved the use of a substance.
- 53 offences that involved the use of a weapon, most commonly bladed implements (27; 51%).
- 17 hate related offences.
- 6 incidents of Serious Violence.
- 25 Domestic Abuse Offences.

### Where?

In 2023/24 3.3% of crimes committed by young people in HIOWC occurred in Rushmoor.

- 213 (61%) occurred in public locations.
- 66 (19%) occurred in licensed premises.

### When?

- Time: 21:00-23:59 (62; 18%)
- Day: Thursday (62; 18%)
- Day & Time: Thursday 00:00-02:59 (16; 5%)
- Month: June (42; 12%).

### Young People Victimised by Crimes

#### Who?

In 2023/24 HIOWC recorded 1,972 victims aged 0-24 in Rushmoor. Around 50% were female (979) and 47% were male (930), most were aged 18-24 (729; 37%), and the majority did not have a recorded ethnicity (1,546; 78%).

## What?

The most common offences victimising young people were Violence against the Person (1,301; 66%), Sexual offences (215; 11%) and Theft offences (204; 10%).

There were also:

- 129 offences that involved the use of a substance.
- 124 offences that involved the use of a weapon, most commonly bladed implements (64; 52%).
- 33 incidents of Serious Violence.
- 68 hate related offences.
- 172 Domestic Abuse offences.
- 231 cases of child abuse.

## Where?

In 2023/24 5% of crimes that victimised young people in HIOW occurred in Rushmoor.

- 600 (30%) occurred in public locations.
- 112 (6%) occurred in licensed premises.

## When?

- Time: 15:00-17:59 (443; 22%)

Table 24. Day and time of youth victimisation, Rushmoor.

## Beyond Crime Data

### CSP Priorities

- Improved feelings of safety and health outcomes (public, virtual and private space)
- Serious Violence
- ASB
- Domestic Abuse

## Education

Education data is not available at a LA level. In 2022/23 within the HIPS area, HCC had:

- The highest number of students experiencing suspensions (16,768) and exclusions (124).
- 31,777 (18.4%) students classed as persistent absentees- lowest in HIPS area and below the rate for England and the South East.
- The highest rate of students achieving Grade 4 or above in GCSE Maths and English (66%).

## Looked After Children

In March 2023 there were 1,853 looked after children in HCC (60% of HIPS), this data is not available at an LA level. This equals 65 looked after children under 18 year olds per 10,000 of the population.

## Healthcare

Data is not available at an LA level, in the HCC area in 2022/23:

- 337 school aged children per 10,000 identified as having social, emotional, and mental health needs. Lowest rate in HIPS area.
- 61.7 young people aged 15-24 per 100,000 admitted to hospital for substance misuse.
- 468.6 young people aged 10-24 per 100,000 admitted to hospital for self-harm. Lowest in HIPS area, but higher than rate for England and the South East.

## Employment & Housing

Some data is not available at an LA level, where not available data for the HCC area has been presented:

- In 2023 in HCC 4.8% (1,452) of 16-17 year olds are classified as NEET.
- In 2022/23 in HCC 9.9 per 1,000 households owed a duty under the Homelessness Reduction Act had dependent children. Lowest rate in HIPS area.
- In Rushmoor (Apr-Jun 2023) 0.37 per 1,000 households owed a homelessness prevention duty had a main applicant aged 18-24.

## Southampton

### Summary of Need

- Projects that address Violence against the person offences (39% of offenders, 62% of victims), including serious violence (51 offenders, 168 victims) and offences involving weapons (250 offenders, 656 victims).
- Projects to reduce substance use and related offences (450 offenders, 898 victims, and highest rate of substance related hospital admissions across HIPS).
- Projects that run between 15:00-17:59 (21% of offending, 20% of victims).
- Projects that promote healthy relationships, including domestic abuse (885 victims).
- Projects that support children suspended (10.7%)/ excluded (highest rate in HIPS- 0.12%) from education, or classed as NEET (7.3% of 16-17 year olds).
- Projects that support the mental wellbeing of young people (highest rate of self-harm related hospital admissions across HIPS).

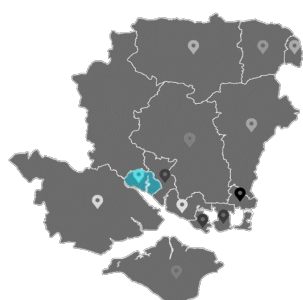

Figure 13. Southampton on the HIOWC map.

Southampton is a Unitary Authority Area, covers an area of around 50 square kilometres, and has a population density of 4,991 persons per square kilometre. Southampton has a total population of 248,923, of which 34% (84,975) are between the ages of 0-24.

Amongst the young person population there is an almost equal gender split of 52% (43,769) male and 48% (41,206) female. Most young people between the ages of 16 and 24 are "straight or heterosexual" (31,750; 79%), and identify as a gender identity that is the same as their biological sex at birth (36,235; 90%). The majority (89%; 76,018) of young people do not have a disability. Around 77% (62,927) of young people are "White". Most young people did not have a religion (51%; 43,499), the next most prevalent religion was Christianity (24,285; 29%).

## Young People Committing Crimes

### Who?

In 2023/24 in Southampton HIOWC recorded 2,067 offences with an offender aged 10-24. The majority were Male (1,521; 74%), aged 18-24 (1,107; 54%), and White (1,083; 52%). In 2022 189 per 100,000 young people were classed as First-Time Entrants.

### What?

The most commonly committed offences were Violence against the Person (808; 39%), Drug Offences (396; 18%), and Theft Offences (304; 15%). There were also:

- 588 incidents of youth Anti-Social Behaviour.
- 450 offences that involved the use of a substance.
- 250 offences that involved the use of a weapon, most commonly non-bladed implements (126; 50%).
- 46 hate related offences.
- 51 incidents of Serious Violence.
- 91 Domestic Abuse Offences.

### Where?

In 2023/24 19% of crimes committed by young people in HIOWC occurred in Southampton.

- 1,411 (68%) occurred in public locations.
- 416 (20%) occurred in licensed premises.

### When?

- Time: 15:00-17:59 (440; 21%)
- Day: Saturday (388; 19%)
- Day & Time: Saturday 15:00-17:59 (107; 5%)
- Month: April (336; 16%).

## Young People Victimised by Crimes

### Who?

In 2023/24 HIOWC recorded 8,632 victims aged 0-24 in Southampton. Around 50% were female (4,311), and 47% were male (4,048), most were aged 18-24 (4,650; 54%), and the majority did not have a recorded ethnicity (6,302; 73%).

### What?

The most common offences victimising young people in Southampton were Violence against the Person (5,386; 62%), Theft offences (1,121; 13%) and Sexual offences (891; 10%). There were also:

- 898 offences that involved the use of a substance, most commonly alcohol (710; 79%).
- 656 offences that involved the use of a weapon, most commonly non-bladed implements (306; 47%).
- 168 incidents of Serious Violence.
- 247 hate related offences.
- 885 Domestic Abuse offences.
- 718 cases of child abuse.

### Where?

In 2023/24 21% of crimes that victimised young people in HIOWC occurred in Southampton.

- 3,380 (39%) occurred in public locations.
- 1,067 (12%) occurred in licensed premises.

### When?

## Beyond Crime Data

### CSP Priorities

- Keeping people safe from harm
- Prevent and reduce offending
- Creating safe and stronger communities

### Education

In 2022/23 within the HIPS area, Southampton had:

- The highest rate of students experiencing permanent exclusions in 2022/23 (41; 0.12%) and the second highest rate of suspensions (3,623; 10.7%).
- 7,403 (23.3%) students classed as persistent absentees.
- 58% of students achieved Grade 4 or above in GCSE Maths and English.

### Looked After Children

In March 2023 there were 538 looked after children in Southampton (18% of HIPS). This equals 108 looked after children per 10,000 of the population.

### Healthcare

- In 2022/23 403 school aged children per 10,000 identified as having social, emotional, and mental health needs. Second highest rate in HIPS area.
- In 2022/23 83.9 young people aged 15-24 per 100,000 admitted to hospital for substance misuse. Highest rate in HIPS area.
- In 2022/23 632.8 young people aged 10-24 per 100,000 admitted to hospital for self-harm. Highest in HIPS area.

### Employment & Housing

- In 2023 7.3% (363) of 16-17 year olds are classified as NEET. Highest rate in HIPS area.
- In 2022/23 From every 1,000 households owed a duty under the Homelessness Reduction Act in Southampton 19.8 had dependent children, and 0.98 had a main applicant age 18-24. Highest rate in HIPS area.

## Test Valley

### Summary of Need

- Projects that address Violence against the Person offences (36% of offending, 68% of victims), including serious violence (32 offenders, 27 victims).
- Projects that address offending in public locations (69% of offending).
- Projects that target male offending (79% of offenders).
- Projects that support those suspended (16,768 across HCC) from Education.
- Projects that engage with looked after children (1,853 across HCC).

Figure 14. Test Valley on the HIOW map.

Test Valley is a Local Authority (LA) within the Hampshire County Council (HCC) Unitary Authority Area, covers an area of around 628 square kilometres, and has a population density of 208 persons per square kilometre. Test Valley has a total population of 130,494, of which 26% (34,399) are

between the ages of 0-24. Amongst the young person population there is an almost equal gender split of 51% (17,535) male and 49% (16,864) female. Most young people between the ages of 16 and 24 are "straight or heterosexual" (9,130; 86%), and identify as a gender identity that is the same as their biological sex at birth (10,035; 94%). The majority (92%; 31,556) of young people do not have a disability. Around 90% (30,852) of young people are "White". Most young people did not have a religion (18,291; 53%), the next most prevalent religion was Christianity (12,631; 37%).

## Young People Committing Crimes

### Who?

In 2023/24 in Test Valley HIOWC recorded 432 offences with an offender aged 10-24. The majority were Male (340; 79%), aged 18-24 (219; 51%), and White (233; 54%). In 2022 across HCC 100 per 100,000 young people were classed as First-Time Entrants, this data is not available at a LA level.

## What?

The most commonly committed offences were Violence against the Person (157; 36%), Drug Offences (98; 23%), and Theft Offences (88; 20%). There were also:

- 161 incidents of youth Anti-Social Behaviour.
- 70 offences that involved the use of a substance.
- 22 offences that involved the use of a weapon.
- 18 hate related offences.
- 32 incidents of Serious Violence.
- 30 Domestic Abuse Offences.

## Where?

In 2023/24 4% of crimes committed by young people in HIOW occurred in Test Valley.

- 299 (69%) occurred in public locations.
- 37 (9%) occurred in rural beat areas.
- 107 (25%) occurred in licensed premises.

## When?

- Time: 18:00-20:59 (81; 19%)
- Day: Saturday (88; 20%)
- Day & Time: Saturday 18:00-20:59 (27; 6%)
- Month: April (58; 13%).

## Young People Victimised by Crimes

### Who?

In 2023/24 HIOWC recorded 2,164 victims aged 0-24 in Test Valley. Around 49.5% were female (1,072), and 47.5% were male (1,028), most were aged 18-24 (781; 36%), and the majority did not have a recorded ethnicity (1,650; 76.2%).

## What?

The most common offences victimising young people were Violence against the Person (1,476; 68%), Sexual offences (222; 10%) and Theft offences (190; 9%).

There were also:

- 170 offences that involved the use of a substance.
- 85 offences that involved the use of a weapon, most commonly non-bladed implements (49; 58%).
- 27 incidents of Serious Violence.
- 38 hate related offences.
- 240 Domestic Abuse offences.
- 244 cases of child abuse.

## Where?

In 2023/24 5% of crimes that victimised young people in HIOW occurred in Test Valley.

- 620 (29%) occurred in public locations.
- 371 (17%) occurred in rural beat areas.
- 117 (5.4%) occurred in licensed premises.

## When?

- Time: 15:00-17:59 (432; 20%)
- Day: Wednesday (374; 17%)
- Day & Time: Wednesday (12:00-14:59) (76; 4%)

Table 28. Day and time of youth victimisation, Test Valley.

## Beyond Crime Data

### CSP Priorities

- VAWG
- Serious Violence
- Anti-social Behaviour
- Fraud

- Drugs

## Education

Education data is not available at a LA level. In 2022/23 within the HIPS area, HCC had:

- The highest number of students experiencing suspensions (16,768) and exclusions (124).
- 31,777 (18.4%) students classed as persistent absentees- lowest in HIPS area and below the rate for England and the South East.
- The highest rate of students achieving Grade 4 or above in GCSE Maths and English (66%).

## Looked After Children

In March 2023 there were 1,853 looked after children in HCC (60% of HIPS), this data is not available at an LA level. This equals 65 looked after children under 18 year olds per 10,000 of the population.

## Healthcare

Data is not available at an LA level, in the HCC area in 2022/23:

- 337 school aged children per 10,000 identified as having social, emotional, and mental health needs. Lowest rate in HIPS area.
- 61.7 young people aged 15-24 per 100,000 admitted to hospital for substance misuse.
- 468.6 young people aged 10-24 per 100,000 admitted to hospital for self-harm. Lowest in HIPS area, but higher than rate for England and the South East.

## Employment & Housing

Some data is not available at an LA level, where not available data for the HCC area has been presented:

- In 2023 in HCC 4.8% (1,452) of 16-17 year olds are classified as NEET.
- In 2022/23 in HCC 9.9 per 1,000 households owed a duty under the Homelessness Reduction Act had dependent children. Lowest rate in HIPS area.
- In the Test Valley (Apr-Jun 2023) 0.35 per 1,000 households owed a homelessness prevention duty had a main applicant aged 18-24.

## Winchester

### Summary of Need

- Projects that support those suspended (16,768 across HCC) from Education.
- Projects that engage with looked after children (1,853 across HCC).
- Projects that address substance misuse and associate crime (27% of offences).
- Projects that target offending in public locations (67% of offending).
- Projects that support young men (70% of offenders).
- Projects that engage 18-24 year olds (61% of offenders 46% of victims).

Winchester is a Local Authority (LA) within the Hampshire County Council (HCC) Unitary Authority Area, covers an area of around 661 square kilometres, and has a population density of 193 persons per square kilometre. Winchester has a total population of 127,444, of

which 30% (38,497) are between the ages of 0-24. Amongst the young person population there is an almost equal gender split of 50% (19,399) male and 50% (19,098) female. Most young people between the ages of 16 and 24 are "straight or heterosexual" (12,460; 79%), and identify as a gender identity that is the same as their biological sex at birth (14,360; 91%). The majority (91%; 35,002) of young people do not have a disability. Around 90% (34,837) of young people are "White". Most young people did not have a religion (20,493; 53%), the next most prevalent religion was Christianity (13,661; 35%).

### Young People Committing Crimes

#### Who?

In 2023/24 in Winchester HIOWC recorded 485 offences with an offender aged 10-24. The majority were male (340; 70%), aged 18-24 (295; 61%), and White (284; 59%). In 2022 across HCC 100 per 100,000 young people were classed as First-Time Entrants, this data is not available at a LA level.

### What?

The most commonly committed offences were Violence against the Person (136; 28%), Theft offences (136; 28%), and Drug offences (133; 27%). There were also:

- 153 incidents of youth Anti-Social Behaviour.
- 117 offences that involved the use of a substance, most commonly drugs (55; 47%).
- 23 offences that involved the use of a weapon.
- 21 hate related offences.
- 4 incidents of Serious Violence.
- 18 Domestic Abuse Offences.

### Where?

In 2023/24 5% of crimes committed by young people in HIOWC occurred in Winchester.

- 328 (67%) occurred in public locations.
- 120 (25%) occurred in rural beat areas.
- 80 (17%) occurred in licensed premises.

### When?

- Time: 15:00-17:59 (114; 24%)
- Day: Sunday (94; 19%)
- Day & Time: Monday 15:00-17:59 / Friday 21:00-23:59 (24; 5%)
- Month: July (55; 11%).

### Young People Victimised by Crimes

#### Who?

In 2023/24 HIOWC recorded 1,723 victims aged 0-24 in Winchester. Around 51% were female (871), and 47% were male (812), most were aged 18-24 (798;

46%), and the majority did not have a recorded ethnicity (1,260; 73%).

## What?

The most common offences victimising young people were Violence against the Person (1,049; 61%), Theft offences (225; 13%) and Sexual offences (217; 13%).

There were also:

- 166 offences that involved the use of a substance.
- 75 offences that involved the use of a weapon, most commonly non-bladed implements (43; 57%).
- 13 incidents of Serious Violence.
- 55 hate related offences.
- 178 Domestic Abuse offences.
- 184 cases of child abuse.

## Where?

In 2023/24 4% of crimes that victimised young people in HIOW occurred in Winchester.

- 569 (33%) occurred in public locations.
- 576 (33%) occurred in rural beat areas.
- 171 (10%) occurred in licensed premises.

## When?

- Time: 12:00-14:59 (360; 21%)
- Day: Friday (277; 16%)
- Day & Time: Wednesday (12:00-14:59) (69; 4%)

## Beyond Crime Data

### CSP Priorities

- Domestic Abuse.

- Quality of Life.
- Priority Crime (Serious Violence & Drug Offences).

## Education

Education data is not available at a LA level. In 2022/23 within the HIPS area, HCC had:

- The highest number of students experiencing suspensions (16,768) and exclusions (124).
- 31,777 (18.4%) students classed as persistent absentees- lowest in HIPS area and below the rate for England and the South East.
- The highest rate of students achieving Grade 4 or above in GCSE Maths and English (66%).

## Looked After Children

In March 2023 there were 1,853 looked after children in HCC (60% of HIPS), this data is not available at an LA level. This equals 65 looked after children under 18 year olds per 10,000 of the population.

## Healthcare

Data is not available at an LA level, in the HCC area in 2022/34:

- 337 school aged children per 10,000 identified as having social, emotional, and mental health needs. Lowest rate in HIPS area.
- 61.7 young people aged 15-24 per 100,000 admitted to hospital for substance misuse.
- 468.6 young people aged 10-24 per 100,000 admitted to hospital for self-harm. Lowest in HIPS area, but higher than rate for England and the South East.

## Employment & Housing

Some data is not available at an LA level, where not available data for the HCC area has been presented:

- In 2023 in HCC 4.8% (1,452) of 16-17 year olds are classified as NEET.
- In 2022/23 in HCC 9.9 per 1,000 households owed a duty under the Homelessness Reduction Act with dependent children. Lowest rate in HIPS area.
- In Winchester (Apr-Jun 2023) 0.15 per 1,000 households that were owed a homelessness prevention duty had a main applicant aged 18-24.
