

VRP Vision

Our vision is for Hampshire, the Isle of Wight, Portsmouth and Southampton to be a place where people can live their lives free from violence and the fear of violence.

VRP Mission

Our mission is to prevent violence by building a collaborative, courageous and sustainable Violence Reduction Partnership which will drive the change required to successfully address the causes and consequences of violence.

Meeting the Serious Violence Duty Together

- The Strategic Violence Reduction Partnership will oversee the delivery of the Response Strategy.
- The outcomes and long term impacts of the Response Strategy will be captured in the Theory of Change.
- Progress towards achievement of these impacts will be monitored through the Outcomes Based Performance Framework.
- The Strategic Needs Assessment will be reviewed annually.
- An overview of the co-ordinating work and interventions will be outlined in the Annual Report.

VRP Response Strategy

Strategic Areas of Focus

Useful Documents

1

Multi-agency and Systems Change

The VRP will collaborate to develop a whole systems response to serious violence. Effective partnership relationships will underpin a data driven approach to align statutory and VCSE support to need within our communities.

2

Data and Analysis

The VRP will develop a comprehensive understanding of the drivers of serious violence. This will enable effective targeted support to people and communities in need.

3

Engagement and Communications

The VRP will seek to work with and for communities. By understanding key themes of local engagement and sharing good practice, the VRP will respond to the community voice.

4

Evidence Based Practice

The VRP will take a Public Health Approach developing programmes and interventions that work for people in need. Impact will be evaluated and learning will be shared nationally.
